MARYLAND MEDICAL ASSISTANCE PROGRAM Hospice Transmittal No. 14 October 18, 2017

TO: Hospice Providers
FROM: *Susan J. Tucker*
Susan Tucker, Executive Director, Office of Health Services
RE: Hospice Payment Rates for Federal Fiscal Year 2018

NOTE: Please ensure that the appropriate staff members in your organization are informed of the content of this transmittal.

Attached are the Maryland Medicaid Program's hospice payment rates for federal fiscal year 2018 (October 1, 2017—September 30, 2018). These rates are calculated based on the annual hospice rates established under Medicare. They are authorized by section 1814(i)(1)(C)(ii) of the Social Security Act (the Act) which also provides for an annual increase in payment rates for hospice care services.

Please note that Section 3004 of the Affordable Care Act established a quality reporting program for hospices. Section 1814(i)(5)(A)(i) of the Act requires that the Secretary shall reduce the market basket update by 2 percentage points for any hospice provider that does not comply with the quality data submission requirements. We note that the Medicaid minimum rates are reduced by the amount of any penalty due to non-reporting. Accordingly, there are two rate tables: Table 1: Actual Market Basket Update and Table 2: Reduced Market Basket Update.

Please also note that the hospice cap runs from November 1st of each year ending October 31st of the following year. The latest hospice cap amount for the year ending October 31, 2018, is \$28,689.04. Information regarding the FY 2018 hospice wage index and the cap amount may be found on the CMS website at <http://www.cms.gov/Medicare/Medicare-Fee-for-Service-payment/Hospice/index.html>.

If you have questions concerning Maryland Medicaid hospice rates, please contact Ms. Leslie Jackson, Hospice Program, at (410) 767-1714.
