RE: CORRECTION TO EPSDT TRANSMITTAL No. 39

NOTE: Please ensure that the appropriate staff members in your Organization are aware of content of this transmittal

The purpose of this transmittal is to clarify when Medicaid will provide reimbursement for the application of fluoride varnish.

Fluoride Varnish

Fluoride varnish application is a covered service for children beginning at the age of 9 months through the age of five years.

The fluoride varnish can be applied in the primary care or dental office. Primary care providers who have completed the required certification and training for fluoride varnish through the MDH Oral Health program will be reimbursed \$24.92 per unit for up to 4 units per year for this service.

If you have questions, please contact Lesa Watkins with the Healthy Kids program at (410) 767-1836 or lesa.watkins@maryland.gov.
