COMPLETION OF UB-04 FOR KIDNEY DISEASE PROGRAM SERVICES

The uniform bill for institutional providers is known as the UB-04 and is the replacement for the UB-92 form. Starting July 30, 2007 all institutional paper claims must use the UB-04; the UB-92 will no longer be acceptable after this date.

The instructions are organized by the corresponding boxes or “Form Locators” on the paper UB-04 and detail only those data elements required for Kidney Disease Program billing. For electronic billing, please refer to the eCMS Companion Guide, which can be found on the following website: dhmheclaims.org/kdp/index.asp

The UB-04 is a uniform institutional bill suitable for use in billing multiple third party liability (TPL) payers. When submitting the above claims, complete all items required by each payer who is to receive a copy of the form.

The Kidney Disease Program statute of limitations for timely claim submission is as follows: Invoices for services rendered at free-standing dialysis facilities must be received within six (6) months of the date of service on the claim. If a claim is received within the 6 month limit but rejected, resubmission will be accepted within 60 days of the date of rejection or within 6 months of the date of service, whichever is longer. If a claim is rejected because of late receipt, the patient may not be billed for that claim. If a claim is submitted and neither a payment nor a rejection is received within 90 days, the claim should be resubmitted.

For any claim initially submitted to Medicare and for which services have been approved or denied, requests for reimbursement shall be submitted and received by the Program within 6 months of the date of service or 90 days from the Medicare remittance date, as shown on the Explanation of Medicare Benefits, whichever is later.

All third-party resources, such as Medicaid, insurance or Worker’s Compensation, should be billed first and payment either received or denied before the Kidney Disease Program may be billed for any portion not covered. Claims must be submitted with the TPL explanation of benefits attached.

Invoices may be typed or printed. If printed, the entries must be legible. Do not use pencil or a red pen to complete the invoice. Otherwise, payment may be delayed or the claim rejected.

Completed invoices are to be mailed to the following address:

201 W. Preston Street, Rm. SS-3
