ADVISORY

In an effort to give timely notice to the pharmacy community concerning important pharmacy topics, the Department of Health and Mental Hygiene's (DHMH) Maryland Pharmacy Program (MPP) has developed the Maryland Pharmacy Program Advisory. To expedite information timely to the pharmacy and prescriber communities, an email network has been established which incorporates the email lists of the Maryland Pharmacists Association, EPIC, CARE, Long Term Care Consultants, headquarters of all chain drugstores and prescriber associations and organizations. It is our hope that the information is disseminated to all interested parties. If you have not received this email through any of the previously noted parties or via DHMH, please contact the MPP representative at 410-767-1455.

Maryland Pharmacy Hotlines will be closed on 12/25/08, 12/26/08, 01/01/09 and 01/02/09

This is to advise you that the Pharmacy hotlines for Maryland Medicaid, Kidney Disease, Breast and Cervical Cancer Diagnosis and Treatment, and Maryland Aids Drug Assistance Programs will not be in operation on the above dates. For all claims processing related issues please contact our Pharmacy Point of Sale (POS) Claims Processor, ACS, at 1-800-932-3918.
